## Notes

1. Please be sure to report to the staff station and fill out the Visitor's Form when visiting or visiting a patient.
2. Please note that we may refuse to allow visitors depending on the patient's medical condition.
3. Please refrain from visiting if you have symptoms such as fever, cough, diarrhea, or vomiting.
4. Please cooperate in "wearing a mask, disinfecting hands, and health check" when visiting the wards.
5. As a general rule, please visit patients in the lounge or private rooms. Please keep the number of visitors to a minimum in large rooms, as it may disturb the care of other patients.
